Booster Partners with VARC Solutions

During the 2021-2022 school year, Booster began working with VARC Solutions, a Friendswood-based bookkeeping firm, to certify the accuracy of our monthly financial statements. VARC has been an excellent partner! We greatly appreciate their support!

Launch of Student Sports Pass

In August 2021, Booster worked with Fisd to launch the first-ever Student Sports Pass that allowed FHS students to enter all sports games (except varsity football) for the low fee of \$40 for the entire school year! Over 120 students purchased Sports Passes, raising \$4,800 to go towards Mustang Athletics Teams. Passes will be available at the start of the 2022-2023 school year!

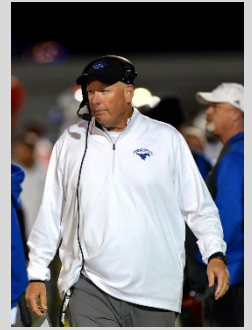

Support of FHS Weight Room and Weightlifting Booster

Mustang Booster rallied the troops and helped raise just under \$5,000 to support the FHS Weight Room, and we're just getting started! Funds were used to purchase new equipment used by all Mustang Athletes.

Booster is excited to welcome the brand-new Weightlifting Club to the FMBC family! The Club recently qualified 9 athletes for nationals in Las Vegas. We look forward to seeing this club grow!

"The partnership between the Friendswood Athletic Department and the Friendswood Mustang Booster Club is essential to the success of our athletic teams and our athletes. The funds the booster club provides allow our programs to function at the high levels we have come to expect in Friendswood."

-Coach Koopmann, Athletic Director and Head Coach Football
