vii. 2nd Vice-Presidents' Reports

1. Baseball – Ended the season
2. Basketball Boys - The boys were very busy this summer!- Many attended camps and played AAU ball to prepare for the high school season. They also made it through MAC camp and open gym. As a team Varsity placed third in a summer tournament for local teams. Varsity, JV, and some incoming freshman got to play summer league games to stay sharp... We are currently planning some team bonding activities before our season starts.
3. Basketball – Girls – they have a new basketball coach
4. Cross Country - Girls – Cross Country season has started. Head Coach Ty Bush did an excellent job of preparing the girls with summer workouts and Coach Landry Lowe has been named Assistant Cross Country Coach and has already made an impact on the girls. Our first meet was Saturday at the Huffman Relays. The Varsity girls took home 2nd & 3rd place and the JV girls took home 12th place. It was a hot and humid day and the girls raced in the heat of the day. It was an excellent kick off to the season. Our next meet is Saturday at Barber's Hill.
5. Track – Girls – Just getting started and will be meeting with the coach to plan for the season and to brainstorm possible future fundraising ideas as well.
6. Country/Track – Boys - Coach Ty Bush is the new head coach of Cross Country/Track. After a successful summer training schedule, the Cross Country team kicked off their season last Saturday at the Huffman Relays with the boys placing 3rd. They will be competing this Saturday at Barber's Hill. We are looking forward to a great season.
7. Cheerleaders – P&L approved. Current balance \$16,752.23 with approx. \$16,000 in liabilities and \$26,834.36 in AR. We just concluded a very successful Community Sponsor campaign and are currently selling fan shirts. We are not anticipating any large capital purchases this year.
8. Football – Football has our first scrimmages the week against Dawson. Freshmen and JV will be at home on Thursday starting at 5:00 and Varsity will be at Dawson Friday starting at 6:00. First home game will be next Friday, August 27 at 7:00. We have had good support from our sponsors, and have purchased yard signs and spirit T-shirts.

13. Soccer – Boys – Hitting the fields starting Friday. Parent meeting in September
14. Softball – Julie and Mandy balance 20,608.25
15. Swimming / Diving / Water Polo – Givens August 25th parent meeting
16. Tennis - The 48 Hour Tennis Marathon will set a new standard for tennis fundraising (likely here and anywhere). As of now, we have exceeded \$40,000 and we still have donations coming in. This shatters our old record by a large margin. And, as importantly, our players and supporters had an extremely good time based on the feedback we have received. We thank our booster reps Molly Crow and Brandie Lorenz for their major roles in making all of this possible.

Getting back to playing - we had 5 challenging matches set up for last week, but had 2 of them cancel with pretty late notice. There's not much we can do about that. But, we did get to play some strong 6A level competition against Deer Park, George Ranch, and Kingwood. It seems like we were short handed due to injury or illness in all of these matches, but we competed very well for this early in the season, losing 10-9 to Deer Park, 11-8 to Kingwood, and winning 13-6 against George Ranch. Our schedule doesn't get easier for a while. We have 2 of the top 10 teams in the state 6A rankings on our schedule in the next week and a half spread out among our next 5 matches (and more later). We do strongly believe we will be much stronger later for having gone through this schedule gauntlet this early in the season.

17. Trainers / Sports Medicine – Training season started in the summer. Our SAT's did an awesome job helping with football practice. We have a great group who are eager to help and learn. It should be a great year for the student athletic training program.
18. Volleyball – Julie Sims – first home game was last night
