

- a. Coaches had nothing but positive feedback about Casino Night. Many went to school on Monday telling other coaches they missed a great time. They are looking forward to next year and appreciate all the effort that went into the event.
- b. We are at our quietest time of the year until the New Year, but after the start of the year we're at our busiest.
- c. UIL Updates – Every 2 years, UIL examines enrollment for classes and districts. At FHS, 1,976 enrolled currently, which puts us at the lower end of the 5A class for 2022-2024. We will know what district we're in mid-Feb; football and all other sports will likely be in different districts again. Right now, Class 6A ranges from 2275 up to 7000 students. Given this huge range of student enrollment, there is talk of creating a Class 7A in 2024
