MEETING AGENDA

- I. Welcome – Called to order @ 7:01pm by S. Eubanks**
- II. Minutes from Last Meeting**
- III. President’s Report – Not present – sent in a report**
 - a. We recently met with the FISSD Education Foundation. There were grants submitted for Athletic Equipment that didn’t quite meet the mission of the Foundation, and therefore were not funded. They approached Booster to see if we would be willing to fund. During our conversation, we discussed that the grants submitted were submitted for equipment that could be purchased through Booster, without going through the Ed Foundation. An example of this is a ball brusher for the Football Team. It is the expectation of Booster that reps understand the equipment needs of their teams by talking to all coaches. This is a great way to use all the funds raised.
 - b. To this end, and to help teams develop their annual budget, I’m going to create a survey that can be filled out by reps and coaches together. This will help us better understand team needs and craft a budget together.
 - c. Be on the lookout for this survey in early February
- IV. 1st Vice President’s Report – No new updates**
- V. Treasurer’s Report**
 - a. Today’s balance is \$245,043.23
 - b. Accounts have been reconciled and verified through 12/31/21 by VARC
 - c. All checks requests have been processed
- VI. Secretary’s Report – No new updates**
- VII. Concessions Report**
 - a. To date, we are currently sitting at \$12,389 in total expenses. \$8241 of that number is related to the Football Band split. We are still awaiting finalized numbers from band. That leaves \$4148 in non/split concessions expenses. So far, we have brought back in \$6023.47. I am currently putting together the Spring schedule. Please be on the lookout for it shortly. As always, thank you to all of our volunteers
